

ADHESIVE DRESSINGS

Elastoplast Plastic Strips

Elastoplast Plastic Strips

Elastoplast Plastic Strips are made of waterproof PVC film fully spread with adhesive. They have a highly absorbent island pad and are covered with Craytherm backing. The strips are individually wrapped and sterilized.

ITEM#	DESCRIPTION
ELP39000014	Plastic strips – 1.9 cm x 7.5 cm (3/4" x 3") Box of 100
ELP39000015	Plastic strips – 2.5 cm x 7.5 cm (1" x 3") Box of 100

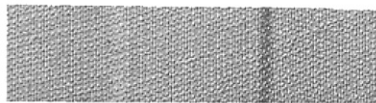

Elastoplast Airstrip Wound Dressings

Elastoplast Airstrip

Airstrip Wound dressings are made of microporous PVC film that allows the passage of moisture vapor but prevents the passage of water and bacteria. They are spread with a hypoallergenic vinyl ether adhesive. A highly absorbent island pad does not adhere to the wound. Each dressing is individually wrapped and sterilized.

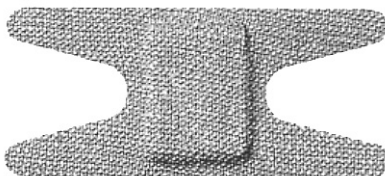

ITEM#	DESCRIPTION
ELP39000017	Airstrip dressing – 3.8 cm x 2.2 cm (1.52" x .88") Box of 100

Elastoplast Strips

Elastoplast Fabric Adhesive Dressings and Doctor's Set Refills

Elastoplast Adhesive Dressings are made of a durable, high-quality cotton and rayon fabric with sideways weft stretch. They are spread with a continuous layer of porous adhesive that allows evaporation. Each dressing is backed with a highly absorbent, non-adherent pad, protected with Craytherm backing, and individually wrapped and sterilized.
