SKIN CREAMS

DEBBA® PROTECTIVE SKIN CREAM & CONDITIONER

Debba is a white, virtually odourless cream designed to protect the skin against de-fatting or irritation brought about by frequent immersion in water based contaminants.

DEB081	4 x 1.5 L Disposapak
--------	----------------------

MITZI® HAND CREAM & SKIN CONDITIONER

Mitzi is a cosmetic cream that will replenish natural moisturizers to the skin that have been lost during the working day.

DEB091	4 x 1.5 L Disposapak
--------	----------------------

PAXON® 1500 DISPENSER

This unit is specifically designed to accept 1.5L sealed containers of protective cream. The product is always kept clean and hygienic. The dispenser provides an immediate supply of cream at the push of a button.

DEB415	For use with 1.5L Disposapaks
--------	-------------------------------

SBS 40 MEDICATED SKIN CREAM

SBS 40 Medicated Skin Cream will leave hands soft and supple, and helps to alleviate rashes, irritation, itching and chapping that can be caused by repeated contact with contaminants or frequent hand washing. SBS40 contains chloroxylenol, a bacteriostat to help reduce infections and allantoin, a cell proliferant that promotes healing by stimulating the replacement of damaged cells.

DEB40108	6 x 2.5 L dispenser can
DEB40135	48 x 140 mL tubes

SBS 44 PROTECTIVE CREAM – WATER RESISTANT

SBS 44 protects the skin by creating an effective barrier against potential water soluble irritants, without interfering with a worker's grip or dexterity.

DEB44135	48 x 140 mL tubes
----------	-------------------

SBS46 PROTECTIVE CREAM – SOLVENT RESISTANT

Specifically designed to provide an effective barrier against solvent-based contaminants such as oils, grease, paint, resins, inks and other typical industrial soilings, without interfering with a worker's grip or dexterity

DEB46108	6 x 2.5 L dispenser can
DEB46135	48 x 140 mL tubes
