

AO FLEXI-STAR Respirator

FLEXI STAR™ LOW MAINTENANCE AIR PURIFYING HALF MASK RESPIRATORS

FEATURES:

- NIOSH approved
- Made of silicone-like man made rubber (TPR)
- Lower fit on nose and wide sealing flange for outstanding fit
- Comfortable, no-snag head straps
- Offset cartridge adapters can rotate for unobstructed field of view
- Low profile design accommodates eyewear
- Adapters available for converting to bayonet style filters and plastic cartridges

AO 5 STAR Cartridge Respirator

AO 5 STAR® REUSABLE AIR PURIFYING / AIR SUPPLYING HALF MASK RESPIRATORS

FEATURES:

- NIOSH approved
- Same performance features as the FLEXI-STAR respirator with these additions:
 - Available in long-lasting rubber and silicone
 - Curved smooth neck strap buckle for easier donning
 - Converts to NIOSH approved type C continuous flow airline model
